

açaí

DESCRIPTION

The açai berry is legendary for its tremendous health benefits, particularly its antioxidant and anti-inflammatory properties. Açai has a higher antioxidant level than that of grapes or blueberries, more anthocyanins than red wine, and an essential fatty acid ratio similar to that of olive oil. These powerful nutrients combat premature aging, promote a healthy cardiovascular system and prostate health, maintain healthy cholesterol levels, and support supple skin, hair, and nails.*

Genesis PURE™ Açai is unique among açai products in that it is 100% pure, organic açai berry juice with no additives, maximizing the benefits of the powerful fruit. There are 30,000 mg of açai in every fluid ounce serving! It is made from the whole açai berry, including the epicarp (the dark purple/black skin), the mesocarp (the pulpy meat), and the scraping of the endocarp (the seed).*

RECOMMENDED USE

Take 1 fl oz on an empty stomach in the morning and the afternoon or as directed by your health care provider. Additional servings may be taken throughout the day if desired. May be taken alone or mixed with other natural fruit juices.

KEY BENEFITS

- Combats premature aging*
- Improves cardiovascular health*
- Promotes supple skin, hair and nails*
- Maintains healthy cholesterol levels*
- Promotes prostate health*
