

cell water

DESCRIPTION

Water is the key to life, health and vitality. Genesis PURE™ Cell Water has the ability to pass freely through cell walls, delivering oxygen, nutrients, and enzymes, while helping to remove the toxic buildup that accumulates in your cells. It enables your body to hydrate more efficiently, it supports healthier cells, tissues and organs, and helps control some of the destructive processes of aging. Cell Water magnifies the effects of other Genesis PURE supplements and nutrients and aids in increasing energy and overall health.*

RECOMMENDED USE

Add 10-20 drops (approx. 1 ml) of Cell Water to 6-8 ounces of distilled water. Drink and repeat three times a day. Drops may be increased once your body adapts to the proprietary cleansing process.

"Cell Water is the best thing that has ever happened to me. I have battled dry skin and fatigue for most of my adult life. After starting on Cell Water, my energy level increased quite noticeably. Within 2 weeks, the texture of my skin began changing...it was less dry and more elastic. I believe I look younger. I'm a Cell Water drinker for life!"
