

coral calcium

"Since starting Coral Calcium, I've noticed that my bones do not creak and pop anymore. I've also realized that my hair and fingernails are growing much stronger and faster than before. I am so happy that this product is a liquid! Keep up the great work!"

- T. Park

DESCRIPTION

Calcium plays a critical role in building strong, dense bones early in life and keeping bones strong and healthy later in life. It protects against altered pH balance levels caused by stresses and environmental influences that can increase the body's acidity and compromise its natural defenses.*

Genesis PURE™ Coral Calcium is absorbed over 90% more effectively than other calcium supplements and is easily assimilated by your body. This unique formula contains 100% pure coral calcium, liquid magnesium, liquid vitamins A, C, D, and E, plus over 70 liquid essential trace minerals, all working together to promote healthy skeletal, cardiovascular, and nervous systems.*

Carefully selected from the waters of Okinawa, Japan, our coral collection process is meticulously conducted to ensure the protection and ecological safety of the unique coral reefs and the surrounding marine environment.*

RECOMMENDED USE

Take 1 fl oz daily or as directed by your health care provider. Best if taken with food. Additional servings may be taken throughout the day if desired.
