

goji

DESCRIPTION

Lycium barbarum" or goji (a.k.a. "The Happy Berry") is a very unique and beneficial fruit known best for its positive effects on mood, liver and kidney function as well as its positive impact on cardiovascular health. Genesis PURE™ Goji is 100% pure and organic goji juice and contains the naturally occurring beneficial compounds polysaccharides and polyphenols, critical for intracellular communication and proper immune system function. Additionally, goji supports healthy libido and vision, increases endurance and stamina, and supports healthy aging.*

RECOMMENDED USE

Take 1 fl oz on an empty stomach in the morning and the afternoon or as directed by your health care provider. Additional servings may be taken throughout the day if desired. May be taken alone or mixed with other natural fruit juices.

- Enhances a positive mood*
- Supports overall cardiovascular health*
- Increases endurance and stamina*
- Promotes healthy liver and kidney function*
- Supports healthy libido and vision*
- Helps protect cell DNA for healthy aging*
- Gluten free

"I love your Goji! One of your IBOs convinced me to stop taking my previous goji product because it had a lot of "other fruit juices" in it and said I was probably not getting very much "actual" goji. I switched and wow do I feel the difference! Your Goji is so powerful and amazing! Thank you, thank you, thank you!"
