

mangosteen

DESCRIPTION

Genesis PURE™ Mangosteen is 100% pure, wild harvested mangosteen juice, rich in naturally occurring xanthones - powerful antioxidants responsible for many of the health benefits associated with the mangosteen fruit. Unlike any other mangosteen products on the market, Genesis PURE Mangosteen delivers 30,000 mg of pure mangosteen in every serving with no added sweeteners, fruit juices, preservatives, or water. Mangosteen protects against free radicals, supports healthy histamine levels, combats pain and inflammation, and supports cardiovascular health.*

RECOMMENDED USE

Take 1 fl oz on an empty stomach in the morning and the afternoon or as directed by your health care provider. Additional servings may be taken throughout the day if desired. May be taken alone or mixed with other natural fruit juices

"I have lived with pain, inflammation, and a lot of medicine for the last eight years of my life. I am happy to report to you that your Mangosteen taken with your Noni are the only products that have ever given me any relief. Some days I forget I even have pain or inflammation! I'm not completely well yet, but I am at least 60% better since taking these products."
