

***“The Natural Cleanse capsules gently help with elimination and don’t give me cramps (which has happened with other products that I have tried).”***

***– S. Kim***

## DESCRIPTION

Ensures two to three good bowel movements each day, which helps ensure proper digestion, absorption of nutrients and elimination of waste! Includes critical cleansing herbs, is non habit forming and supports detoxification of all seven channels of elimination (skin, kidneys, lungs, bowels, blood, liver and lymphatic system).

## KEY BENEFITS

- Gently produces two to three healthy bowel movements every day\*
- Contains the most beneficial herbs to detoxify our major organs\*
- Rebuilds the body’s natural ability to eliminate and cleanse\*
- Contains unique and proven ingredients that support internal cleansing such as: Hawthorn berries for the heart and circulatory system, Mullein leaf for the lungs, Red clover blossom to purify the blood, buffered Cascara sagrada to purify the entire intestinal tract and more\*
- Helps to increase energy by improving the body’s ability to absorb and utilize nutrients\*
- Clinically developed to specifically address cleansing and detoxification of all seven channels of elimination: the skin, lungs, kidneys, bowels, blood, liver and lymphatic system\*
- Does not contain magnesium oxide which is a saline laxative and may deplete the body of important nutrients\*
- Clinically developed in a world famous nutrition clinic\*
