

nutrition

"Finally, a multi-vitamin that's practical! I've always hated taking pills and on top of that, Nutrition tastes great. Each morning it gives me amazing energy along with the essential nutrients that my body needs to keep it functioning at its optimum level."

- C. Farley

DESCRIPTION

Genesis PURE™ Nutrition is a bioavailable, vegetarian liquid supplement that contains over 200 nutrients in every ounce! Nutrition absorbs quickly – enriching the body with the vitamins, minerals, trace minerals, and amino acids it needs to thrive. Additionally, Nutrition contains five proprietary herb and plant blends that fortify and strengthen the body's organs, cells, and tissues, enabling all systems to function optimally and improving overall health.*

RECOMMENDED USE

Take 1-2 fl oz daily or as directed by your health care provider. Best if taken with food. Additional servings may be taken throughout the day if desired.
